Risk Assessment Workbench — Product Owner Submission

Title:	Onboard New Payments Processing Vendor
Change Type:	Vendor Onboarding
Submitted By:	R. Chen, Commercial Payments
Date:	2026-09-26

Description

We propose onboarding a new third-party vendor to handle merchant payment processing on behalf of the bank's commercial banking line. This vendor relationship will expand our current merchant acquiring program into a new customer segment of small and micro-businesses that previously did not qualify under our existing underwriting criteria. The vendor will have access to transaction data and initial onboarding workflows. This memo requests an FCRM risk assessment prior to contract execution.
